IMF SARTTAC WEBINAR: Fiscal Risk Management
"Fiscal Risks stemming from Public Private Partnerships (PPPs)"

THURSDAY, JANUARY 7, 2021
3:30 P.M. – 5:00 P.M. (IST)

WEBINAR OBJECTIVES
Upon completion of this webinar, participants should be able to:

- Understand the various types of PPP contracts and PPP risk allocation frameworks
- Identify fiscal risks for the central/local government
- Understand the data and methodological requirements to quantify those risks

TARGET AUDIENCE
This webinar is designed for mid- to senior-level finance ministry and line ministry officials from SARTTAC member countries responsible for appraising, structuring, validating or monitoring PPP contracts. There is no limit on the number of attendees. The event is open to all those interested. You are encouraged to share this invitation with colleagues in your agency and other state officials whose professional engagements are closely related to the topic and will benefit from attending this webinar.

Please send your queries to:
For Webinar specific questions: Raju Sharan, SARTTAC Public Financial Management Advisor (rsharan@imf.org)
For Administrative support: Debraj Chaudhuri at (dchaudhuri@imf.org) or Sumit Kumar at (skumar7@imf.org)

REGISTRATION DEADLINE
MONDAY, JANUARY 4, 2021

The International Monetary Fund’s South Asia Regional Training and Technical Assistance Center (SARTTAC) and the Fiscal Affairs Department (FAD) is organizing a Regional Webinar on Fiscal Risk Management on Thursday, January 7, 2021 from 3:30 p.m. – 5:00 p.m. IST.

After a refresher on key features of PPP contracts, the webinar will focus on the identification of fiscal risks arising from such contracts, as well as their link with broader fiscal sustainability. The session will then provide a brief overview of the IMF’s tool and methodology for the quantification of those risks and elaborate on institutional considerations for their optimal management and mitigation.
